

Perturbed versus unperturbed phenotype reachability
Differences in percentage points with DDR ON; model predictions only

Mechanistic context: Wang et al., Nature 2017 (doi:10.1038/nature22393); Hou et al., Tumour Biol 2017 (doi:10.1177/1010428317718135). Jiang et al., Cell Biochem Funct 2016 (doi:10.1002/cbf.3223). These papers do not validate the simulated DDR comparisons.
